Professionals distance learning

Association of Educational Programs "Electronic Education of the Republic
of Bashkortostan"

SIE USPTU "Scientific-Production Center NEFTEGAZINGINIRING"

INVITATION

**Dear Colleagues, We invite you to take part in the
International Scientific and Practical Conference**

**Information technology.
PROBLEMS AND SOLUTIONS**

23-26.05.2017

Organizing Committee:

Bakhtizin Ramil Nazifovich Dr. Sci., professor. Rector (Ufa State Petroleum Technological University, Ufa), Chairman of the Board of the Association of Educational Institutions "Electronic Education of the Republic of Bashkortostan", Honored Worker of Science of Republic of Bashkortostan, Honorary Worker of the Gas Industry

Ismakov Rustem Adipovich Dr. Sci., Professor, Vice-Rector for Science and Innovation (Ufa State Petroleum Technological University, Ufa)

Pavlova Zuhra Hasanovna Dean of process automation (Ufa State Petroleum Technological University, Ufa), PhD. tehn. Sci.

Enikeev Farid Usmanovich Dr. Sci., Professor, Head of Department of Computer Science and Engineering Cybernetics (Ufa State Petroleum Technological University, Ufa)

Gulyaev Yuri Vasilievich President of the Russian Union of Scientific and Engineering Associations, Academician (RosSNIO, Moscow)

Sharafiev Robert Garafievich Chairman of the regional branch of the Russian public organization "Russian Union of scientific and engineering public organizations" for the Republic of Bashkortostan

Gazizov Raphail Kavievich, head of the Department of High-Performance Computing Technologies and Systems (Ufa State Aviation Technical University, Ufa), Dr. Sci., professor, Honored Worker of Science of the Republic of Bashkortostan

Soldatkin Vasily Ivanovich First Vice-President of the Moscow Institute of Technology, Dr. Philosophy, Professor, Academician. RANS IHEAS, MAI, NAS, Laureate of the Russian Government in the field of education, the President of the NGO " Professionals distance learning "

Belonozhkin Yuri Nikolaevich Design engineer educational web complex, PhD Economic Sci. Department of "Finance and Credit" (Sochi State University, Sochi), First Vice President of the NGO "Professionals distance learning"

Shamshovich Valentina Fedorovna PhD, Deputy Head of the Department of Mathematics for Innovative Development (Ufa State Petroleum Technological University, Ufa), Honorary Worker of Russia in the field of general education, the Executive Director of the Association of Educational Institutions "Electronic Education of the Republic of Bashkortostan"

Bondarevskiy Arkady Samuilovich, Dr. Sc. Sciences, Ch. Nauchn. employee beginning. department at JSC "Angstrom-M" (Moscow, Zelenograd)

Vatin Nikolai Ivanovich Director of Engineering and Construction Institute FGAOU HE "Saint Petersburg State Polytechnical University", Head of "Construction of unique buildings and structures", Dr. Sci., Professor

Lutfullin Ramil Yavatovich, Dr. Sc. Sciences, Head of Laboratory "Superplastic Advanced Materials Processing" (IMSP, Ufa), honored inventor RB.

Kruglov Mikhail Gennadevich Professor of system and software engineering (National Research Technological University, Moscow), PhD.

Korneev Nikolay Vladimirovich Dr. Sci., Department of Information and e-service (HELga State University of Service, Togliatti), corresponding member of the Academy of Natural Sciences, Federal Ministry of Education expert and Science, Honorary scientist Europe.

Sidorkina Irina Gennadevna Dr. Sci., professor of information systems (HELga State Technological University, Yoshkar-Ola)

Sultanova Ekaterina Alexandrovna PhD , Deputy Head of the Department for Research and Innovation of computer science and engineering cybernetics (Ufa State Petroleum Technological University, Ufa)

Filippov Vladimir Nikolaevich PhD, Deputy Head of the Department of computer science and engineering cybernetics (Ufa State Petroleum Technological University, Ufa), corresponding member RANS

Levina Tatyana Michailovna PhD, Head of Department of scientific disciplines (branch Ufa State Oil Technical University, Salavat)

Section of the conference:

- **Modern methods of teaching computer science**
- **Systems and methods of protection of computer information**
- **Modeling of Information Systems**
- **Computer-aided design and GIS technology**
- **Supercomputers, parallel and cloud computing**
- **System Programming and Technical Cybernetics**
- **Networks and Telecommunications**
- **Information Technologies in science, education and manufacturing**
- **Information technology in the economy, administration and business**
- **Distance Learning: concept, methodology, technology**
- **Information technology: student's point of view**
- **Project-oriented IT training.**

To participate in the conference:

1. Prepare the article in Russian or English. Requirements to the articles contained in the documents:

- http://vtik.net/konference/sample_ru.doc (Requirements to the articles in russian):

- http://vtik.net/konference/sample_en.doc (Requirements to the in english);

2. Fill in the registration form c requisites articles, information about the authors and attach the article:

- <http://subd.vtik.net/reg.php?lan=rus&konference=13> ;

3. Prepare a report if you plan to perform at the conference;

4. Pay for the publication of articles and the necessary additions by to requisites payment;

5. Get the answer about the movement of your article;

6. Get a letter of invitation to the conference, if you choose full-time participation and confirm it;

7. To take part in the conference (23-26.05.2017).

WARNING!

ARTICLES Organizing Committee may be rejected without explanation.

Accepted articles are published in author's edition.

Registration and articles:

from 01.10.2016 to 31.03.2017

Working languages:

Russian, English

Fee:

The cost of one publication - 450 rubles. for the article, the HElume of articles 5 pages and more than that - 100 rub. / p.
